

GO AUTO BUILDING

16830 - 107 Avenue,
Edmonton, AB

WELL DEVELOPED THREE STOREY OFFICE BUILDING

53,808 SF OWNER/USER OPPORTUNITY IN GREAT WEST END LOCATION

PROPERTY PHOTOS

PROPERTY HIGHLIGHTS

The Go Auto Building represents a rare opportunity for large owner-users to acquire a prominent office building in Edmonton's West End. Totalling 53,808 SF across three floors, the property offers flexible occupancy options for organizations seeking a headquarters-style building while maintaining the potential for additional rental income.

The upcoming vacancy schedule, with the third floor available October 2026 and the main and second floors available April 2027, provides a purchaser with the ability to plan for phased occupancy, occupy a portion of the building while maintaining income from the remaining space, or ultimately transition to full-building use.

The building offers a functional office layout with a mix of open workstations and private offices, allowing flexible workspace configurations. An impressive open-to-above lobby creates a welcoming first impression, while large windows provide abundant natural light throughout the office floors. Each floor has washrooms and the building is fully equipped with central heating and air conditioning.

With excellent exposure onto 107 Avenue, ample on-site parking, and recent capital improvements, the property presents a compelling opportunity for organizations seeking long-term real estate control in a highly accessible West End location.
